Raised in Florence (Italy) and fluent in five languages, Angela moved to Los Angeles to study at the Elegance International Academy of Beauty and apprenticed with the renowned Burman Studios. She began her career in special effects makeup, which led to heading the makeup department on numerous feature films, where she met her two most loyal clients, Nicole Kidman and Jennifer Aniston. These strong relationships helped bring Angela's gifts from behind the movie screen to the red carpet. She is also on her tenth year as a beauty spoke person for Chanel USA.
